## FundFinder FAQS: How to Create a Shortcut to FundFinder on Your Android Device

Follow the below instructions to create a shortcut to FundFinder on an Android smartphone or device.

## **Android Devices**

1. Open your Android's default web browser and go to fundfinder.panfoundation.org. Then, tap on the **Ellipsis** button in the upper right corner and select **Save to bookmarks**.

 Tap the Ellipsis button in the upper right corner and select Bookmarks to open the Bookmark Manager. Hold your finger down on the desired bookmark until a menu is displayed. Then, choose Add to Home Screen to complete the action.
