PAN Foundation

Need help covering the cost of your treatment?

We can help

Why turn to PAN for help?

The Patient Access Network (PAN) Foundation is the fastest, most dependable way for you to receive financial assistance with your out-of-pocket costs for critical medical treatment. PAN provides the help you need so that you can start focusing on what matters most—your health. PAN offers:

- » **Easy online application process**
- » **Instant determination of eligibility**
- » **One-year grants, with potential for renewal**

No one offers a broader array of assistance programs than the PAN Foundation. And no one is better suited to help you access the treatment you need.

Call **866-316-7263** to speak with one of our knowledgeable representatives.

The help you need

Are you eligible for assistance?

To be eligible* for a PAN grant, you must:

1. Be getting treatment for the disease named in the program you are applying for.
2. Be seeking assistance for a medication or product listed on our list of covered medications.
3. Have health insurance that covers the qualifying medication or product.
4. Have an income that falls at or below the Federal Poverty Level specified by the program.
5. Reside and receive treatment in the United States or U.S. territories.

*Certain programs may have additional requirements.

Visit panfoundation.org to see each program's specific eligibility criteria.
